

# If We Knew Then What We Know Now: An Interactive Discussion on Discovering Talent

Are you looking for creative and unique ways to search for new talent in our current competitive workforce environment? The MaxAbility Taskforce invites you to learn more about discovering talent outside of the normal avenues. Join us for an interactive discussion about video profiles, internships and externships and how job tours, informational interviews and job trials can lead to qualified candidates.

## Video Profiles

Highlights a job seekers skills and abilities.

## Informational Interviews

Firsthand experience for job seeker and employer.  
Low stress atmosphere.

## Intern/Externships

Test-drive the talent.  
Improve your employee-retention rate.

## Job Trial

Opportunity to demonstrate your skills and suitability for the position.

### Date/Time:

Wednesday, June 26, 8:30 – 10:30 a.m.

### Location:

Wood Lake Meeting Center

### Registration:

Free and open to the public. Registration preferred.

## THANK YOU TO OUR EVENT PARTNERS

Services provided by WorkForce Development Inc. and Department of Employment and Economic Development, Vocational Rehabilitation Services

The MaxAbility Employment Taskforce is charged with maximizing career success for people with employment barriers and to develop opportunities for businesses to meet their hiring needs. MaxAbility does this through its Southern Minnesota Disability Employment Network. The network connects businesses, service organizations, and individuals with disabilities to improve employment conditions and reduce barriers to employment for those with disabilities.
